Re: Global Tel\*Link Corporation  
Indirect Transfer of Control  
Supplement to Notice of Indirect Transfer of Control  
Docket No. T-02871A-08-0558

Dear Sir/Madam:

Global Tel\*Link Corporation ("Global") filed a notice with the Commission on or about September 18, 2008, regarding a proposed indirect change of control (the "Notice"). In connection therewith, we provide the following supplemental information in order to clarify that Global is not a Class A Utility, and therefore, that the proposed indirect transfer of control does require the Commission's approval.

Docket Control Center  
Arizona Corporation Commission

January 31, 2009

For the purpose of determining whether or not Global is a Class A Utility, Global's jurisdictional revenues for the 12 month period ended January 31, 2009 were \$969, 161; therefore, Global is no longer a Class A Utility. Global's monthly revenue for the most recent month is less than \$30,000, and Global expects such revenues to continue to decline.

Attached to this Supplement is a verification from Andrew Ritter, Executive Director of Finance and Treasury for Global, verifying that the Arizona jurisdictional revenues shown above are true and correct.

Based upon the foregoing, on behalf of Global, we respectfully request that the Commission administratively close this Docket.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self addressed, postage prepaid envelope.

If you have any questions or if I may provide you with additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

Lance J.M. Steinhart  
Attorney for Global Tel\*Link Corporation
